Tile	550 x 550	21½ x 21½	1040 x 1290	41 x 51	Caulfield Green	SDA550GRB

BAL **Dektite Premium**

- ✓ Low profile base with watershed sleeve Improves water run off and protects silicone sealant
- ✓ Larger square base will cover a larger opening So more forgiving for penetration openings and allows for steeper roof pitch
- ✓ Unique cone design Provides 10mm (½") continuous contact with flashed pipe providing a watertight seal
- ✓ Clear markings in metric and imperial measurements Makes for easier cutting to pipe size
- ✓ Size Ranges - Numbers 0-9 Available in Black and Grey EPDM, and Red Silicone
- ✓ Twenty year warranty Just fit and forget it - we've got you covered
- ✓ Bushfire Attack Level Rating 12.5 for EPDM and 29 for Red Silicone Dektites

Air Conditioning Wall Brackets

- Available in 2 sizes - 150kg and 250kg Load limits
- Made from powder coated galvinsed steel
- All fixings included

Deks Code	Product Description
DWB150	Wall Bracket for 150kg load
DWB250	Wall Bracket for 250kg load

Waffle Strip

- Can be cut to size
Compensates for unevenness between surfaces
- Grooved design
Provides a barrier to prevent migration of water.
- Made of Natural Rubber
Minimises transmission of shock, noise and vibration caused by machinery.

• Deks Code: DWS1-100

Waffle Pad

- Multiple Applications
Suited to applications in Air Cond, refrigeration and engineering industries
- Grid Pattern
Makes it non-slip
- Made of Natural Rubber
Minimises transmission of shock, noise and vibration caused by machinery.

• Deks Code: DWP450450

Condenser Feet

- Sturdy Design
Rated to 400kg per set of 4
- Made of Natural Rubber
Provides a reduction to vibration and noise levels
- Includes threaded mounting bolt and nut
Quick and convenient installation

• Deks Code: DCF-PK4
